

# MESH

## ***(Favourite foods from Canterbury's Medbury and Selwyn House Schools)***

Medbury and Selwyn House Schools are working together to produce a high quality Cookbook with delicious healthy recipes to tempt your taste buds and provide you with a colourful keepsake with a distinctly Canterbury flavour!

Produced in the style of modern Cookbooks, **MESH** will be a wonderfully designed, eclectic collection of recipes from the schools' communities.

It will be a wonderful opportunity for your organisation to support this fundraising project and we cordially invite you to consider sponsorship.

### **Sales and Marketing**

It is proposed to produce 7,000 copies of the Cookbook for release in September 2010. The books are expected to sell for \$39.95.

Distribution will include the Parent communities of the schools, old boys and old girls, staff, grandparents and their extended families, friends and associates. Readership will be extensive and the publication is expected to adorn many a home and office for a long time

### **Sponsorship Offer**

Sponsorship is being sought at the Bronze level (\$500 plus GST):

#### ***Bronze sponsors will have:***
