## **Update**

After over twelve months work by many many hands, the final product is nearing completion and the end result will be outstanding.

We would especially like to acknowledge and thank our sponsors, as without their support the project would not have been possible. They have enabled the Medbury and Selwyn House schools to produce 7000 Cookbooks with all the revenue from sales going into the schools' various development projects.

These are the names of our Gold and Silver sponsors and we encourage you all to support their businesses.
